

WHS BAND FINDS CHICAGO; ORCHESTRA CONTINUES TO GROW

Mr. Willard Budnick rehearsed the largest group (78 students) in the history of WHS. Prime objective in class rehearsals was "to become acquainted with as many types of musical literature as possible and to recognize man's musical heritage."

Besides entertaining at football games, the band presented a Winter Concert, Spring Concert, and a program at the workhouse. Individuals and small groups kept basketball and hockey games lively.

The band made a special trip to Chicago to present a program for the Kelvyn Park High School. The musicians ended the year by competing in the district and state contests.

The Orchestra, under the direction of Mr. Dennis Lane, completed its second year, having given several concerts with the Junior High Orchestra. The small but growing group was supplemented by members of the band.

The Orchestra, conducted by Mr. Lane, presented a concert which featured guest musicians from the area at the Community Church.

Mr. Budnick, back from a year's sabbatical at UCLA, once again took control of the band.
