VOCALISTS FIND WILLING AUDIENCE

Under the direction of Mr. Walter Cherwien, the Choral Department brought music to many corners. At the same time students received a background in choral literature and developed good vocal techniques.

The Girls Glee Club and the Chorus presented the Christ-mas Story in concert and performed at Southdale and the workhouse in the winter. A Bach Festival with the Junior High, the Lake Conference Festival, the Mikado, and the Spring Concert rounded off the year.
