

Looking into the future. Sophomore Class Officers L-r: Sue Wells, treasurer; Elaine Schaumberg, secretary; George Miller, president; and Dusty MacGregor, vice-president.

## THE SOPHOMORE YEAR, A TIME OF CONFUSION AND EXCITEMENT.

This year's sophomore class entered Wayzata Senior High with much more vitality and school spirit than had been seen for quite some time. Most of them had been in the Senior High building when they were in seventh grade, so the confusion resulting from the change of schools was kept to a minimum. They found that the main difference between Senior High and Junior High was the multitude of extra-curricular activities now available to them.

A very responsible class which had the ability to organize and accomplish things, it added much to clubs like G.A.A., F.T.A. Y-Teens and Math Club. Sophomores also contributed many ideas and much time to Student Council. Among other things, they suffered the inconveniences of sharing packed lockers, although this problem was solved with the opening of the new wing.

In their next two years at Wayzata they will see the addition of an auditorium which will give them a better opportunity to take advantage of the many programs available from outside sources.

We wish the Class of 1968 much luck during the next two years when they will be assuming the leadership of Wayzata Senior High, and hope they will retain the attitudes and high level of achievement that they have displayed this year.
