

London Bridge is falling down.

Seniors Squelch Faculty

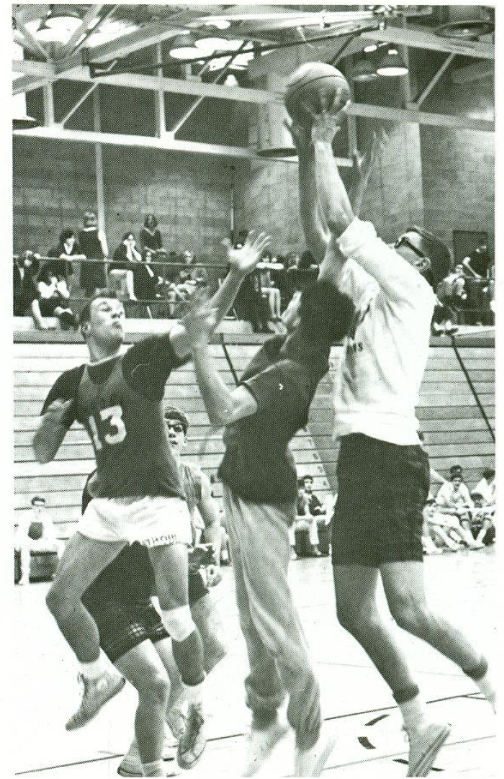

Seniors came from 13 points behind to tromp the faculty 68-66 on March 14. The many stars from both teams included; Mr. Rusty Peterson in baby blue sneakers minus equilibrium; Mr. "Couldn't Miss" Chilstrom; Mr. Jim Lewis (Alcindor), who stomached into fouling out; and Jerry Slothower who went "Bear" footed.

In the last quarter, just as the seniors were about to score, their basket began to slowly rise. To no avail, Paul Leding shot a basket to put the seniors in front by one, but it was disqualified. Meanwhile, another saboteur had started the faculty basket rising.

Cheerleaders for the triumphant seniors were Kris Nelson, Jeff Pederson and Tim Martin. Faculty cheerleaders were Miss Moe, Miss Sausen, Mrs. Tendall and Mrs. Ohman.

Statue of Liberty play. Mr. Freeberg scores?

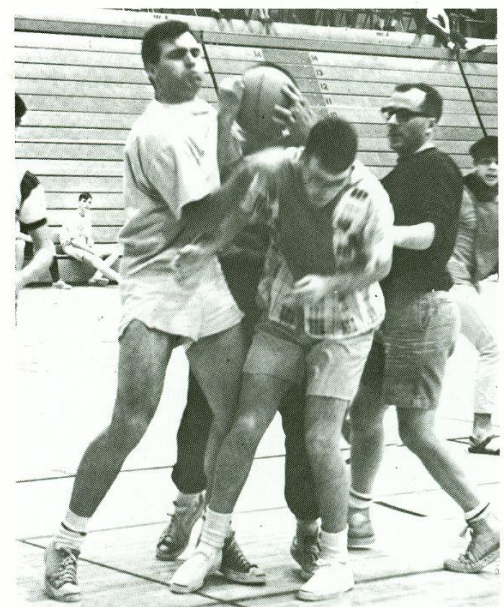

Mr. Chilstrom in his elevator sneakers.

"I wonder what his name is?" "I wonder what her name is?"

The funny company emerges triumphant.

"What do you mean I don't look like James Garner, O'Fallon."
