

The 1964 St. Bart's "A" team went into the finals with a record of 6 wins and 3 losses.

First we played our fellow classmates on the other St. Bart's team. We were pretty shaky, but came through with a 2 point lead and a 24-22 victory over St. Bart's "B" team.

The championship game against Medicine Lake was a very close one for us; even with Father Rupert there, we lost by 1 point and took second place in the Tournament.
